

The League of American Bicyclists'

RULES OF THE ROAD

- 1 Follow the law** — it's the safest way to ride. Bicyclists have the same rights and duties as other drivers and need to follow the same traffic laws.
- 2 Be predictable** — ride in a straight line, signal turns and check behind you before turning or changing lanes.
- 3 Be conspicuous** — ride where drivers can see you, use lights at night and wear bright clothing.
- 4 Be aware** — anticipate the next move of drivers, pedestrians and other cyclists. Watch for debris, potholes and grates.
- 5 Ride Ready** — tires need air, brakes must work, chains should run smoothly, and quick release wheel levers must be closed. Carry repair and emergency supplies. Wear a helmet.
